1. After they ate the forbidden fruit, what did Adam and Eve dress themselves in? God replaced these with clothes made of what? What are some of the significant truths symbolized in this detail?

2. When God placed the Angel at the entrance to the Garden, he was excommunicating the Man and Woman from the Sacrament of life? Was this an act of punishment or an act of charity?

3. When Eve bore a son, she uttered a strange statement. What is the meaning of this strange statement?

4. Why was Abel's sacrifice acceptable and Cain's was not? (See Hebrews 11:4, 1 John 3:12, 1 Samuel 16:7)

5. Cain replied to God's question, saying, "Am I my brother's keeper?" What is the answer to that question and why?

6. In verse 14, Cain laments what he has forfeited by murder. Indeed, Cain's punishment is harsh. What are the two losses he laments and why are these so significant?
