

Genesis 5

1. Read verse 5:3. What is the significance of the terms used to express Adam's offspring.
2. Compare and contrast the two lines of Adam's and Eve's descendants. Look especially at the seventh generation from Cain and the seventh generation from Seth.
3. Who is the last person mentioned in the line of Seth? Do you see any significance in this name?
4. The text book notes gives 4 hypotheses to explain the extremely long lives listed in the genealogies. Which of these four is most satisfying?
5. What does the story of Enoch's assumption into heaven tell us about human righteousness?
